NOMINATING COMMITTEE CONSIDERS COUNCIL CANDIDATES

Mayor Eppa Rixey has appointed five residents to serve on the Nominating Committee to review candidates for the November 3, 2009 Indian Hill Council election. The 2009 Nominating Committee continues the longstanding tradition of endorsing a slate of highly qualified candidates who are nominated on the basis of their past accomplishments and their sense of civic responsibility towards the community. The members of the committee are:

S. Christian (Chip) Nielsen III, Chair
Bruce Ferguson
Karl Grafe
Cynthia King
Anne Krehbiel
Tim Sharp

The committee asks that any interested candidates contact the Village offices at 561-6500 to place their names on a list of potential Council candidates to be considered for recommendation to the electorate. Candidates should indicate their interest no later than May 29, 2009. The committee will contact interested candidates and conduct interviews during the following three weeks and prepare their recommended slate for inclusion in the June 26, 2009 edition of the Indian Hill Bulletin.

The nominated candidates, as well as any additional candidates seeking election to Village Council, are required to circulate petitions to be placed on the November 3, 2009 ballot. The deadline for filing with the Hamilton County Board of Elections is August 20, 2009.

**OPPONENT TESTIMONY REGARDING ANDERSON TOWNSHIP MINE APPLICATION NOW
EXPECTED TO CONTINUE UNTIL LATE SPRING**

Village officials continue to attend Anderson Township Board of Zoning Appeals (ATBZA) hearings regarding a request for a conditional use permit and related variances required to allow Martin Marietta Materials, Inc. to operate a deep limestone mine in the vicinity of Round Bottom Road and Broadwell Road in Anderson Township. These hearings, which have been continuing since August 2008, are now expected to continue until sometime in June of this year.

The most recent meeting is scheduled for April 22 2009 at 5:30 p.m. Attorneys representing the various opponents to the mine are expected to conclude their opponent expert witness presentations at this hearing. Assuming that the opponent testimony is concluded at this meeting, the May 20th meeting will offer the first opportunity for opponent testimony from interested citizens. Any concerned Indian Hill residents are encouraged to attend this meeting which will be held at 5:30 p.m. at the Anderson Center located at 7850 Five Mile Road.

Village officials and our legal counsel will continue to attend the hearings and express our concerns about noise, truck traffic, light pollution, and dust pollution. We will also continue to advise residents about the status of the case and any related Village actions in direct mailings to south Indian Hill neighborhoods, future Bulletin articles, and on the Village webpage: www.ihill.org.

Any questions about the current status of the case may be directed to the City Manager's office, 561-6500.

RANGER CHAT

Recently there was an incident in the Village involving a golf cart and some injuries to a couple of children. Since this has taken place, and was in the local news, questions from residents have come up with regards to the laws on golf carts.

Simply put, they are classified under Ohio law as being a low-speed or Under Speed Vehicle (USV), meaning that they cannot be driven on roads with speed limits over 35 mph, according to a report from The Columbus Dispatch (6/9/2007). However, for a golf cart to be street legal, it must meet the following motor vehicle inspection items - have two (2) license plates, proof of insurance, rear taillights, at least one working brake light, two headlights, turn signals, a rearview mirror, brakes, horn, windshield and the driver must have a valid drivers license.(Ohio State Highway Patrol)

If my recollection is correct, the children involved in the incident were not seriously injured. This matter was reported to police and handled appropriately. The police department cannot stress enough that it is illegal to operate any motor vehicle on any public street, without the proper Motor Vehicle Inspections.

(OAC 4501:2-1-01) Golf carts or any other Under Speed Vehicle, must also meet the Titling and Registration requirements as described in section 4503.10 of the Ohio Revised Code.

Home Security Survey

The Indian Hill Police Department would like to offer the residents of the Village, an opportunity to have their home surveyed for security strengths and weaknesses. The survey will look at the exterior of home, interior of home, doors, windows, security system, and other areas of concern. This will be a one-on-one interaction to answer questions about home security and to offer advice to improve on areas that might need corrected. If you are interested in a Home Security Survey, let me know. You can contact me at 561-7000 or e-mail me at crimeprevention@ihill.org, to schedule a time.

Please keep in mind that this is a work in progress. We are strongly encouraging residents to check out the new site and to offer suggestions for improvements. The Rangers want this site to offer the information that residents want to see. If you have a suggestion, please e-mail to info@ihrangers.org or feel free to call Ptl. Ramsey at 561-7000.

GREEN AREAS ADVISORY COMMITTEE THE BRIDLE TRAILS

Indian Hill is blessed with many unique and enviable amenities and services available to all residents. Many were established in the early 1940s when the sprawling farm and estate community was incorporated as a village. One especially unique benefit are the many miles of bridle trails, those winding gaps in the woods and across fields that horseback riders use and enjoy.

The original trails, some of which date to the mid-1920s, were laid out and maintained by the Camargo Hunt in order for its members and their foxhounds to quickly pass from farm to farm. Soon it became apparent that the Village would not remain as rural as it was in those long ago days when sportsmen and equestrians had nearly unfettered use and permission to cross over 19½ square miles of agricultural, wooded and residential lands. Led by Village solicitor Paul Steer, Mayor William Kite, and members of Camargo Hunt and Camargo Stables, most of the 40 or more farm estates were connected by a series of bridle trails. Ordinances were codified to protect and maintain the trails which were, and still are, limited to horses and hounds. For over 50 years the Hunt used the 150 miles of trails during thrice-weekly hunts. During hunt season, up to 40 riders, led by the huntsman and his pack of 15 to 40 hounds, rode over the many open fields and up and down the winding trails. Today, the Hunt's kennels are located in Boone County, Kentucky, but hunts still continue several days a month. Many other trail riders use the network of trails to exercise and train their horses and to enjoy the challenging web.

John and Terry Kropp's stable on Park Road connects to several trails, and they use them often to exercise their thoroughbreds and Connemara ponies. The Kropps event their horses and travel as far away as a 10,000 acre riding preserve near Southern Pines, North Carolina. According to John Kropp, the Indian Hill trails are the nicest and most scenic of any he has seen.

While many communities have equestrian facilities and trails, we know of no other city that can boast such an extensive trail system such as ours. Thanks to the never-resting Public Works Department, the trails are marked, mapped, patrolled and maintained. For security and emergencies, numbers are placed on posts along the trails, but most riders still refer to them by their old names, such as dipsy-doodle, ski slope, Pony Club and blue cut. Riders report downed trees and washouts which are soon fixed. Council also supports the system, budgeting funds to clear the havoc left after recent droughts, hurricanes, and ice and wind storms.

On a somewhat disconcerting note, some new residents do not understand the trail system and its history and become concerned when riders pass near or over the edge of their property. Both riders and residents need to be aware of and respect each other's rights. The city manager's office can arrange to have trails moved and added. Most trails are on Village green areas property but some traverse both dedicated and informal easements.

The green areas are for all to enjoy but the trails are for horses only. Find a friend with a horse and explore the backside of the Village. Enjoy the overlook above Camp Dennison, trot along the Little Miami River, gallop across Clippinger Field and listen to the whispering pines behind The Little Red Schoolhouse. Trail licenses and maps are available for a fee at the Village office.

Safety Reminder from the Public Works Department

With the coming of warmer weather the Public Works Department has now begun its Annual Roadside Mowing Program. We ask that all Village Residents be on the lookout for signs cautioning Mowing Ahead and the green John Deere tractors with the yellow flashing lights as they travel Village roadways. When approaching these areas, please use extreme caution by slowing down and being prepared to stop. When passing, please do so safely allowing ample room for Public Works equipment and employees. Please keep in mind that noise created by their equipment often does not allow them to hear approaching traffic and may not give them the opportunity to respond quickly enough in an emergency situation. The Public Works Department would like to thank all Village Residents for their cooperation as we look forward to a safe mowing season in 2009.

If you think you would enjoy this call Joyce Holder at 561-6500 or email jholder@ihill.org

All are invited to attend the observance of the National Day of Prayer. The event this year will be held in Indian Hill at the Stephan Field Bicentennial Memorial. BULLETIN INSERTS

Bulletin inserts are only for village-associated organizations such as churches, scouts, schools, clubs, committees, Historical Society, and Greenacres. They are not for personal or business advertising. Because the printer has to collate all the flyers and insert them by hand, they must be printed on 20 lb. paper. Please send no more than one insert per publication. Also, consider putting in an ad instead of an insert. We can do a page or 1/2-page ad. The deadline for getting a flyer in the Bulletin is the same as the deadline for articles. We need to receive 2,200 copies of the insert. The cost for putting an insert in the Bulletin is \$90.00 For more information, call Joyce Holder at the Village office at 561-6500 or email jholder@ihill.org

DOGS ON LEASH AT GRAND VALLEY

The management at Grand Valley Preserve is requesting cooperation from all visitors of the Preserve. It is mandatory that all dogs be kept on a leash during the bird-nesting season. The Preserve not only has numerous species of waterfowl nesting, but also has woodcocks, Killdeers, and the rare Cricket Frogs that nest on the shoreline. Visitors will be given one warning. On the second violation, they will be requested to leave the Preserve. The leash restriction will be in effect from March 15 through June 30. A major part of the mission statement at Grand Valley is to protect the wildlife and the environment by maintaining low impact activities at the Preserve. While all other nature preserves require dogs to be leashed at all times, the staff at Grand Valley understands the desire to allow dogs to run free, but remember dogs must be under control. Please help the wildlife and honor this regulation.

**JOHN RUTHVEN PAINTING
LIMITED EDITION PRINT
AVAILABLE TO PUBLIC**

The Grand Valley property, purchased by the Village, inspired noted wildlife artist John Ruthven to paint a picture entitled "The Great Blue Heron of Grand Valley." Mr. Ruthven donated the painting to the village to help raise funds to support the Grand Valley preserve area through a print program. The Village has purchased a limited edition of 200 signed and numbered prints that are being sold unframed for \$75.00 each available on a first come first serve basis. The prints can be purchased at the Village Administration office, 6525 Drake Road. Payment for the prints should be made by cash or check, made out to the Village of Indian Hill. Please call 561-6500 for more information or questions.

Here are some pictures that were taken of Eric Weiss and son, Eric Jr. with some of the group here at the Public Works/Water Works Department. He stopped down with his wife and daughter to give thanks to all the Village staff for the many support packages that were sent to him and his Unit, the 201st Combat Engineering Bn. Mike Saikley spearheaded the effort and was essential in collecting and packaging the items that were shared by Eric with the other 34 service members stationed with him in Afghanistan. . Eric described some of his many experiences and presented the Village with an American flag that had traveled with him on at least two missions, in addition to an Afghan flag signed by his entire unit. Eric said that he was glad to be home with his wife Fosha and his daughter Gracie, along with other family members and friends. NEIGHBORHOOD BIBLE STUDY MEETING IN INDIAN HILL

NEIGHBORHOOD BIBLE STUDY MEETING IN INDIAN HILL

Every Thursday morning in the fall and winter for the past 12 years, women have been gathering in Gerry Engler’s lovely home on Alberly Lane in Indian Hill to study scripture and fellowship together. These women enjoy digging deep into what the Bible has to teach them using video-driven study materials by well known Bible teachers such as Beth Moore.

Gerry would love to add more women to her group. This study is part of Northeast Women’s Bible Study, a non-denominational ministry that has sponsored studies in neighborhoods on the eastside of Cincinnati since 1981. If you would be interested or would like more information, please contact Gerry Engler at 272-6444. For information about studies in other communities, contact Vicki Ruotolo at 248-1080.

Brownies Will Spend Cookie Money to Feed Families in Crisis

With grocery lists in hand, second grade Brownies from Cincinnati Country Day School (CCDS) will hit the aisles of The Kroger Co. store in Madeira. The seven- and eight-year-old girls will fill shopping carts with canned and other food goods for donation to The FreestoreFoodbank, one of Ohio’s largest food banks serving nearly 160,000 people in twenty counties.

The shopping day, a troop community service project, will be funded with proceeds from Girl Scout cookie sales. The girls will spend \$400 to help feed families in need. With the troop outing, CCDS Brownies will join forces with two leaders in the fight against hunger: The FreestoreFoodbank and The Kroger Co.

The FreestoreFoodbank has been providing food and services since 1971 with the mission of creating stability and furthering self-reliance for people in crisis. It has been a member since 1979 of Feeding America (formerly known as America’s Second Harvest), the nation’s largest hunger relief organization.

The Kroger Co. is one of the founding members of Feeding America. In 2007,

Kroger contributed 24 million pounds of food and other products to Feeding America. Valued at \$40 million, those donations translate to 20 million meals.

CCDS Brownies are part of Girl Scouts of America, Great Rivers Council located at 4930 Cornell Rd., Cincinnati, Ohio 45242. For more information about Girl Scouting in Western Ohio, call 513-489-1025 or visit <http://www.girlscoutsofwesternohio.org>.

2009 Mardi Gras for Homeless Children Raises Record Breaking \$102,591 to Feed the Needy!

The 2009 Mardi Gras for Homeless Children proved the most successful in the event's 18-year history. \$102,591 in proceeds is being shared by the four sponsoring social service agencies to use in feeding homeless children and their families. Since this activity began in 1992, \$845,000 has been raised for this purpose.

"It's both amazing and most gratifying," states Gordy Snyder, Chairman of the event, "that even during these tough economic times, our community came together to support this annual celebration and raise a record amount to help feed homeless children. This generosity not only provides the benefits of supporting a large community activity, but more importantly, it fulfills our mission of helping to alleviate the plight of homeless children in our community."

The four charitable agencies are Bethany House Services and Mercy Franciscan at St. John in Cincinnati; and, Brighton Center's Homeward Bound and Welcome House of Northern Kentucky, Inc. in Covington. Together, they serve more than 40,000 individuals each year.

The Mardi Gras is produced by the Northern Kentucky Restaurant Association in cooperation with the Greater Cincinnati Restaurant Association. Its primary attraction is more than 50 booths of food and beverages, all of which is donated by the members of the two associations. Generous donations in both product and services from members of the associations over the past 18 years have been crucial to help the Mardi Gras reach its current success.

The 2010 Mardi Gras for Homeless Children is scheduled for Fat Tuesday, February 16, 2010. For more information, call 859/291 -NKRA (6572).

Ensemble Theatre of Cincinnati Presents World Premiere Musical Don't Make Me Pull This Show Over: Dispatches From the Frontlines of Parenting April 29-May 17, 2009

From the writers of the smash hit *Ace*, Richard Oberacker and Robert Taylor, comes a charming new musical that takes us on the winding road of parenting, April 29 to May 17, 2009. Having been performed as part of last year's Fringe Festival, *Don't Make Me Pull This Show Over: Dispatches From the Frontlines of Parenting* is a delightful and touching series of musical snapshots taken from unexpected angles about the joys and frustrations of every stage of parenting. CCM Drama Department chair Richard Hess directs an outstanding ensemble cast in this full production world premiere.

It is an intriguing nature of a song cycle about the role and implications of parenting and how universal that theme is," explains ETC Producing Artistic Director D. Lynn Meyers. "I admired Richard and Rob's ability to create a piece that was empathetic, sincere, and not overly sentimental. This show was also a remarkable opportunity to put together a terrifically talented performing ensemble," she concludes.

A Few Facts about Fire Hydrants

- A fire hydrant is a fire protection device that allows water to flow from the water main to the fire hose.
- The concept of underground fire hydrants dates back to the 1600s in Europe, and the first above ground hydrant in the USA was installed in Philadelphia in 1803.
- Hydrants are also known as fire plugs (referring to their stoppers) or Johnny pumps (because 19th century firemen were called Johnnies).
- The main body is the barrel; on top is the bonnet; and the discharges are on the side of the barrel. Valves control the water main's flow.
- Wooden outer encasements were used before cast iron ones were developed.
- Fire hoses are connected to the hydrant via either a threaded connection or a Storz couplet.
- Indian Hill has private, public, and public/private hydrants. Private ones are maintained by the owner, and public and public/private hydrants by the Water Works.
- The Madeira Indian Hill Joint Fire Department does regular maintenance on every hydrant twice a year, including cleaning gaskets and threads, lubricating, checking for water, and clearing foliage to ensure visibility. Village hydrants are yellow so that they can be easily seen. A color-coded band is attached to the hydrant to identify available water flow. In years past the top of the hydrant may have been painted to designate the flow.
- All hydrants in the Village were flow tested between 2002 and 2005.
- To maintain water quality, the Water Works flushes hydrants on a rotating schedule.
- By ordinance, any home constructed after 1979 must be within 500 feet of a hydrant.
- About 1500 fire hydrants are serviced by the Madeira Indian Hill Joint Fire Department.
- Some hydrants in the Village are 75 years old.

THE INDIAN HILL HISTORICAL SOCIETY

The Historical Society's 35th Anniversary Celebration

"A Trip Down Memory Lane" was the theme for the April Program of the IHHS. Members enjoyed a sumptuous "pot-luck" supper, while hearing the story of a group dedicated Indian Hill residents, spearheaded by Tyler Emerson and Andrew Hauck, who had the foresight to establish an historical society, whose mission would be "Keeping Indian Hill's past and present alive for tomorrow".

Trustee Rosemary Welsh referred to the 100 Founding Members whose names are inscribed on the Schoolhouse blackboard, and pointed out that several Founders, Barbara Pope and Kingston Fletcher, were present that day.

President Barb Hauck and Barbara Pope

Society Historian, Lindsay McLean, showed fascinating photographs and told the history of the important preservation work done by the organization. Trustee Mary Kromholz talked about the many wonderful programs enjoyed by members over the past 35 years.
