

**MEMBERSHIP INFORMATION AND RESPONSE FORM**

Membership to the Rowe Arboretum is strictly on a voluntary basis. The cost of visiting the collections remains free to all, but we need your help. All memberships and donations help build our endowment which supports our daily maintenances and any improvements we make to bring you a more enjoyable place to visit. Whether you come to enjoy the solitude of the gardens or study the various specimens for use in your landscape, you reap the benefits of a considerable amount of time and energy. In return for your support we offer the following additional benefits of membership: A free seedling grown from one of our specimens, an invitation to the Members Day Plant Sale, free arboretum plant list, the "Members Update" newsletter, answers to horticultural questions, and more to come. Garden clubs and other organizations are invited to join as well with additional benefits for those groups. All are invited to call or email for more information at [rowearb@ihill.org](mailto:rowearb@ihill.org). All support will be acknowledged by a letter of appreciation sent to you. Thank you for your consideration. Also please consider giving your email address to help us save on paper and postage costs.
